

LIFE SAVING RULES

SAFETY CONTROLS

I will obtain authorization before over riding or disabling safety critical equipment. I will not remove or disable safeguards unless instructed to do so.

CONFINED SPACES

I will obtain authorization and ensure safe conditions before entering a confined space.

ENERGY ISOLATION

I will verify isolation when working on energized systems and use the specified life protecting equipment.

SAFE DRIVING

I will comply with road safety rules.

HOT WORK

I will always receive proper authorization, training, and follow all hot work permit requirements.

LINE OF FIRE

I will position myself to stay out of the path of moving objects, vehicles, pressure releases, and dropped objects.

HAZARDOUS MATERIALS

I will always wear the required PPE when working with chemicals and will take actions to prevent exposure to hazardous materials.

FALL PROTECTION

I will protect myself, and others, against a fall when working at heights.

Any employee may intervene or stop work if a Life Saving Rule is not being followed and employees are at risk.
