

MAUSERNOW

Did you know...

you can view MauserNOW articles in your preferred language?

How to Translate a Webpage:

1. Type www.mausernow.com into the Internet browser address bar or scan the MauserNOW QR code.
2. Right click in any white space on the webpage.
3. Select the “Translate to English” option.
4. On the right side of the address bar, open the Translation menu
5. Select your preferred language and click the blue “Translate” button.
6. Select the article you wish to view.
7. Right click in any white space on the webpage.
8. Select the “Translate” option again. It should default to your last selected language. If not, repeat step 4.
